

Biancas flirtations reach new levels when she shows up to class with no panties on. Professor Winfield cant concentration, because her smooth brown skin and full thighs are on full display, not to mention that he nearly catches a glimpse of her hot little kitten. Hes so frustrated that he makes her stay after class. Bianca soon learns her lesson, as she is manhandled, spanked and dominated by an alpha male of a different persuasion. EXCERPT: “Bend over my knee, now,” I told her. I sat down on the desk and stripped off my belt, looking to her, waiting for her to obey me. She nodded her head and tried to hide her smile. It would appear that the little slut enjoyed being spanked. I was going to make her feel it. She knelt across my lap and pointed her bubble butt in the air. I slid her skirt all the way up to her back, exposing her naked black ass, along with the tramp stamp she had above her booty. I rubbed my hand in circles around her entire ass, enjoying the way that it felt against my palm. “Are you going to spank me, professor? I’ve been naughty as fuck,” Bianca said.
