

The bestselling follow-up to the classic *The Summer of '49*, illuminating the heart-pounding 1964 World Series between the Yankees and Cardinals David Halberstam, an avid sports writer with an investigative reporter's tenacity, superbly details the end of the fifteen-year reign of the New York Yankees in October 1964. That October found the Yankees going head-to-head with the St. Louis Cardinals for the World Series pennant. Expertly weaving the narrative threads of both teams' seasons, Halberstam brings the major personalities on the field—from switch-hitter Mickey Mantle to pitcher Bob Gibson—to life. Using the teams' subcultures, Halberstam also analyzes the cultural shifts of the sixties. The result is a unique blend of sports writing and cultural history as engrossing as it is insightful. This ebook features an extended biography of David Halberstam.
