

Rough sex is red-hot, and this collection of stories from Naughty Daydreams Press is very, very rough. How about a brutal first anal sex story with the woman bound on the bed? How about a reluctant gangbang for a blushing bride? How about two strippers about to learn just how ready for action a group of men at a bachelor party can be? It's a scorching collection, and it's only a click away!

1. **TEST DRIVE MY BACK DOOR** (A Very Rough First Anal Sex Bondage Fantasy Erotica Story) by Tracy Bond I wasn't really looking forward to dealing with the car salesman, but he sure was handsome. His southern accent was wonderful as well, so I guess if I had to deal with a salesman; he was a good choice. I never expected that the test drive would take me to his home, and I never figured that I'd be the one tried out for a spin! It was my first bondage experience, with rougher sex than I'd ever imagined, spanking, gagging, and even my first anal sex, rough as you can imagine! I couldn't believe his brutality...and I couldn't believe how much I loved it!

2. **I DO, I DON'T!** (A Rough and Reluctant Wedding Night Gangbang) by Stacy Reinhardt Nora is happy to be married, and when Robbie lays her on their wedding bed just moments after they arrive in the honeymoon suite, her only regret is that they might let some of their wilder sex adventures go out the window. The rest of their lives might end up tame, but there will be nothing tame about their first night as husband and wife, because they're interrupted by three men! The men want Nora, and they want more than she's ever given before. She'll have her first anal sex, a very humiliating gangbang, and her very first double penetration.

3. **DO IT ALL OR DO NOTHING** (A Reluctant Two Girl Gangbang Short (On Your Knees) by Veronica Halstead I'd been turned on by my coworker Renee for some time, and when some guys at a party wanted to see two girls kiss and convinced us to do it, things just got even more hot. From then on, I couldn't stop thinking of going much farther with her, and she felt the same way. There were some boys from the party who felt that way, too, though, and when the time finally came for me to have my first lesbian sex experience, I reluctantly watched it turn into a two girl gangbang, complete with rough double team sex, double penetration, forced deep throat, and forced semen swallowing!

4. **OUT OF CONTROL BACHELOR PARTY** (A reluctant Two Girl Gangbang Erotica Story) by Kate Youngblood Jill and Nancy are the best of friends, and these barely legal beauties have discovered that stripping is a very lucrative way to get through college. They're excited about a bachelor party because those always result in big tips, and they're gonna be even bigger this time because the men want the girls to fool around a little bit. Money, money, money! Things are gonna get a little more intense than fooling around, though! The men want more than a little bit of kissing! They want to watch Jill and Nancy in a full blown first lesbian sex experience; and then they're joining in to gangbang these eighteen year old girls good and proper!

5. **OPEN WIDE AND SAY Aaaaah** (A Reluctant Doctor/Patient erotica story (Doctor Patient Sex) by Nancy Brockton Stephanie has always hated doctors, ever since she had bad experiences with mean doctors as a child. So, when she has no choice but to get a physical and immunizations for a job, she's very nervous. When she gets to her appointment, though, it's not the old gruff doctors of her youth, but a handsome young stud! That makes it a little easier. This doctor wants it to be a lot easier though, and Stephanie is about to find that doctor patient sex with plenty of rough deep throat, hardcore sex bent over the table, and a big load of semen swallowing can do wonders to set a patient at ease.

Warning: This ebook contains very explicit descriptions of sexual activity during various rough sex encounters. It includes rough and reluctant sex.
