

This is the third book in Lucia Jordans 'Trusting His Heart' series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Becky's life was just getting back on track after the loss of her first love, Edward. Her new love, Bradley, ignites a passion within her that she had long since forgotten. But when she discovers a photo of Bradley wrapped in a passionate embrace with his very naked ex-wife, Becky starts to think that maybe no man can truly be trusted with her heart. It doesn't take long before Becky learns that sometimes things are not always as they first appear...sometimes it takes time to develop the negatives in any image. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
