

Kim and the new baby (Learn to read series Book 10)

This book, written in simplified English for people learning to read English, learning English as a second language and for parents teaching children to read, talks about children and how they react to new siblings. Children feel displaced when new babies come. In this book, find out how Kim reacts to the arrival of a new baby in the house. The book, one of several titles at the same level by the same author (also available here) features a theme that focuses on young childrens lives.
