

Rock My World

Devin spends most of his time working in a busy Chicago hotel, and he likes his life the way it is. Or so he thinks until his past catches up with him. When an old friend comes back to town, a big secret comes to light along with her. Cora's band has made it big and their latest tour is rolling into Chicago. When she introduces Devin to her sexy boyfriend Bryce, unexpected sparks fly between all three of them. Cora and Bryce live the kind of lifestyle Devin gave up on years ago, but he starts to want what he didn't know he was missing. But a threesome can't work outside of the bedroom, can it? Note: Rock My World contains descriptions of MMF and FM sex, so if you are under 18 years old it's not for you. If you're over 18, come and enjoy the hot action.
