

Seth Hollis lives his passions online under the pseudonym Lotus and attracts ex-Navy SEAL Sahara Blue, who avidly follows the erotic tales of passionate submission Seth posts. While they forge a powerful connection, its increasingly frustrating, because both men yearn for something real. Seths writings have also attracted an unwanted and dangerous admirer, and when the glass window of Seths shop is shattered one night, fate sends Sahara Blue to his rescue. Unaware he has actually met Lotus, Sahara takes Seth under his wing, and that same mysterious and deep attraction flares to life. But Seths deranged stalker wont let up, and Seth and Sahara will have to give up their secrets and learn to trust if theyre going to keep each other safe.
