

Seans First Time

Sean has always enjoyed the scent of fragrant lotion, soft skin, a feminine voice -- you know, the things that ladies bring to the table. So when a guys mouth is suddenly on his junk and rough, calloused hands run up his thighs, he finds it just a little weird that hes harder than ever. And even weirder that he seeks out the same naughty thrills the following week. When the following week rolls around, he finds exactly the kind of thrills hes looking for -- he just never imagined theyd come while he was on his knees and four men surrounded him. This 4,600-word story is included in the Four First Timers collection.
