

## Bobbing Along Issue 2. April 1989 Commentary (Bobbing Along Commentary)

This is the story of Bobbing Along, a magazine I produced about Cardiff City from 1989 to 1993. The primary aim of this book is to preserve these editions. But its also to explain a bit about why it was written and how it was produced. Its also something of a Redux as I have been able to remaster the pages from the original page mock-ups, clean up the images and get a better resolution on the pictures. This is a 3500 word commentary on issue 2 of the magazine and the people and players of the time, too.
