

Whether you like women to take control, play the submissive or are just keen to read about hot ladies exploring their sexuality to the full, these stories are guaranteed to tease and titillate. The Girl from Xanadu by Olivia London Worker bee Claire and gorgeous trust-fund intern Velma come from very different worlds. Claire barely makes ends meet while Velma works just to keep busy. Around the office Velma is as inept as she is beautiful but Claire eagerly helps the lovely lass to the next level going beyond the office to the bedroom. As the saying goes, the rich are different. But Velma needs support and Claire comes to the rescue. Who wouldn't want to rescue a damsel in distress? As a reward, Velma shows her new friend the finer things in life, but can this relationship between lovers and colleagues last? Acid Orange by Helen Dring Environmental disaster brought together two very different women. While Lee fights to control the fallout of a surge in energy, policing the streets and finding safety for those displaced, Anita locks herself away and prays that she comes home safely. But the crisis is worsening, and, when Lee's unit withdraws from the streets, all Anita can do is hope that they face whatever is to come together, as lovers and soulmates. For the Good by Alyssa Turner Stacy is married, straight and as conventional as they come, but tough girl Myra is the surprising new crush she can't seem to forget. The right opportunity is all the excuse she needs to live out her fantasy, and when opportunity meets mutual desire the result is more combustible than either woman could have imagined. These stories first appeared in *Wanton Women* published by Xcite Books.
