He has found his true mate. Orphaned at an early age, Casey Newton has bounced from foster home to foster home, never quite finding a place to call his own. When a big, burly man decides Casey is his true mate, the cold and lonely world Casey grew up in begins to change. For once in his life, someone wants him. But wanting someone and keeping them safe are two very different things. When the man that has terrorized Casey for most of his life comes after him again, can Casey trust Rob to protect him or will he be tossed away like he has every other time in his life? And will the bond between mates be strong enough to withstand the threat of losing everything they hold dear? ** A Siren Erotic Romance
