

## Sports Junkies Rejoice : The Birth of ESPN

Entrepreneurial daring, irrepressible enthusiasm and a dash of good luck gave America its first 24 hour sports network in 1979, This book is about the agony and the ecstasy, the excitement, effort and frustration that led to the launch of the Worldwide Leader in Sports. A \$9,000 credit card advance, a landfill in Bristol, CT, new satellite technology and a father and sons unshakeable belief in the insatiable appetite of Americas sports fans came together to fuel an incredible journey....a journey that culminated in ESPNs inaugural show at 7:00 PM (EDT) Friday, September 7, 1979.
