Well, what would you do? The only thing standing between her and the best party of the summer is her jerky older stepbrother, Brian. He says hes trying “protect” her but he never lets her do anything fun! It looks like he’s going to be a party-poopers this time too, until the perv decides to give her what she wants—with one caveat. Everyone who comes to the party, has to come naked. Now the hottest party of the summer just got hotter, and Jill’s about to find out that she’s not too keen on the way all the other girls look at her sexy stepbrother. In fact, she’s starting to look at him in an entirely different light herself...
