Being a teen is both an exciting and puzzling period in life. Kids want to know more about coping with such real-life issues as school, dating, style, home life, and health. This unusual package is designed to help them face their daily problems, make practical decisions, and generally feel better about themselves. It consists of a book and two quick-answer card packs: 25 Oracle Cards and 25 Help Cards: Oracle Cards are stylishly illustrated and give oracular answers in categories that include: General, Friends, Dating/Love, Style, Home Life, Education/Work, Health, Growth, and Plans. The reader asks a question in any of these categories, draws a card, and reads its oracular answer, which is open to various interpretations. Help Cards come in handy during moments of stress, indecision, or unhappiness. They carry blessings, affirmations, and brief messages of encouragement. The book is written in a friendly and informal conversational style, and features appealing, contemporary illustrations. It offers advice on using the cards, finding positive meanings in life, and living creatively. The Teen Oracle gives kids a way to build on their own resources, face daily problems, and become a more fulfilled person.
