

Banged by Daddys Best Friend: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Banged by Her Daddys Best Friend was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... When Morgan invites Jared to her room after dinner, he waits until everyone else in the house is asleep to accept and luckily her handsome, hard man is worth the wait. Soon, she is bent over the bed with her legs spread wide open and his face is buried deep in the warm wetness that awaits. Now, he wants to slip something more than his tongue inside her and Morgan cant wait to get banged by her daddys best friend. J.C.
