

The Later Works of John Dewey, Volume 3, 1925 - 1953: 1927-1928, Essays, Reviews, Miscellany, and Impressions of Soviet Russia (Collected Works of John Dewey)

This volume includes all Dewey's writings for 1938 except for *Logic: The Theory of Inquiry* (Volume 12 of *The Later Works*), as well as his 1939 *Freedom and Culture*, *Theory of Valuation*, and two items from *Intelligence in the Modern World*. *Freedom and Culture* presents, as Steven M. Cahn points out, the essence of his philosophical position: a commitment to a free society, critical intelligence, and the education required for their advance.
