

Follow Mias blossoming from a pretty young virgin into an experienced Mistress and lover, via her diary entries! The Diary gives you five steamy short stories: 1. My First Time: Follow Mia as she takes her first trip down Lovers Lane and gives up her virginity to the boy she loves. 2. Role Play: Mia graduates from ordinary, vanilla sex and finds her first kink with a coworker, Sam...but you can call him William. 3. My Boyfriends Girlfriend: What is Mia to do when the guy who took her virginity is cheating on her? Why, steal his other girlfriend away, of course...and turn her into a sex slave! 4. Gang Bang: Mias parents ask her to house sit over Christmas break while they go on vacation. Renovations are going on, and Mia brings her sex slave along for the break. What they don't expect is what happens when the construction workers show up and want to do a little extra-curricular pounding! 5. Secret Admirer: Mia is back at school with her sex slave, but Valentines day is coming up, and Mia suddenly has a secret admirer. Her little slave is jealous, but Mias curiosity is piqued...and she can't believe who her admirer is! You could buy all five titles individually and spend \$4.95...or you can buy them all here, in one book, for only \$3.95! The Diary is approximately 31,000 words long! That's almost 90 pages of steamy action! Whether you're into virgins, role playing, BDSM and D/s, girl-on-girl action, orgies and group sex, or pure romance...The Diary has it all!
