

The Mill on the Floss (Palmera Publishing Illustrated)

This title is properly formatted for Kindle and includes all original version picture illustrations. A table of contents as well as an ncx table of contents is included for easier navigation. We have also included a link to the table of contents at the start of each chapter. Telling the age old story of brother and sister growing up in the English countryside, this novel explores the hardships and trials faced by Maggie Tulliver as she suffers isolation after her parents death. Family obligations and difference in personalities drive Maggie apart from her brother, as she pines for a more intellectual life away from the family home. While always looking for the love she lost with her fathers passing, she finds herself stifled and lonely in her life with her brother. Forbidden love and tragic circumstances will keep you engaged as you follow Maggie from childhood to adult. Always wanting what she cant have, and striving for more. Childhood friends and new friends pull Maggie between what she desires and promises she has made, ultimately ruining any relationship she builds with anyone. Youll find this novel, interesting and engaging as you follow Maggie, relating to the struggles and decisions she is faced with through her life.
