

Ghosts of James Bay Teachers Guide: Dundurn Teachers Guide

Fourteen-year-old Al is spending the summer on the shores of Ontario's James Bay with his eccentric archaeologist father. On their last day there, Al paddles his canoe away from the rocky, tree-lined shore and is strangely overtaken by a thick fog that disorients him. As the mist rolls over him, Al is startled to see a ship in the distance that he recognizes as the Discover, whose captain was the ill-fated Henry Hudson. Is it a ghostly apparition?
