

The God Chasers Expanded Ed.

This expanded edition of the original best-seller includes a daily devotional for personal reflection and a study guide. A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: I chase after that I may catch that which has apprehended me (Phil. 3:12). The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer, David the singer, and Paul the itinerant preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord.
