

Only months after losing her beloved husband, does Meredith dare accept help from another man... Meredith Stoltzfus could never love anyone like she loved her husband, Luke. When a friend from her past stops by her home to offer a helping hand, Meredith hesitantly agrees. But deep down, she feels uneasy about it. How would it look to others, seeing Jonah around so often? Meanwhile, as a young, nameless man heals and regains strength in his body, his mind grasps at every image that flits across his memory, desperate to recall his former life....
