

# The Savage My Kinsman

In January of 1956, the world recoiled in shock with the news. Five American missionaries had been speared to death in the Ecuadorian jungles by Auca Indians-reportedly the most savage tribe on earth. Years later, it became clear that what had seemed to be the tragic ending of those missionaries dreams was only the first chapter of one of the most breathtaking missionary stories of the twentieth century. The Savage, My Kinsman tells the story, in text and pictures, of Elisabeth Elliots venture into Auca territory three years after the death of her husbnad, Jim Elliot. Elisabeth and her daughter Valerie, then three years old, returned to the jungle along with Rachel Saint, the sister of one of the other slain men. The linguistic work of these women brought Christs message of slavation to the tribe that thad killed their loved ones.
