

The Supernatural Worldview is a book of Christian apologetics from an apocalyptic perspective. Many supernatural and paranormal phenomena are examined with biblical discernment and some of the usual evangelical answers are found wanting. Even so, cautiousness is encouraged and an ominous trumpet sounded in light of prophetic predictions.

The Synerjet Engine: Airbreathing/Rocket Combined-Cycle Propulsion for Tomorrows Space Transports (Progress in Technology), Surfing the Great Lakes, Space Vehicle Design, Second Edition (AIAA Education), Take Two: Confessions of a BBW Hotwife #3, Betraying Season (Leland Sisters), Unto the End,
