

His Menage Girl: Totally TABOO Erotica

Adult Only Warning: This is Totally TABOO Erotica! When Heidi gets bored with her chores she decides to start flirting with the two sexy cowboys who own the ranch. But when things start heating up, Heidi winds up naked in front of both men waiting for their next order. Now Cole and his brother Logan are ready to show Heidi just what a long hard day on the ranch is really like. From the Book You are a good girl aren't you, Heidi? Logan grinned as he spoke his eyes taking in her naked body. Slowly, almost carefully, he undid his pants and then stripped out of his clothes, revealing one muscled inch of his body at a time. Then, he was behind her and tracing his fingers up her back, before wrapping his arms around her. Logans fingers tickled the way up her stomach, before cupping her breasts. His mouth nibbled along her shoulder as he gently stroked her nipples. Gently, he brought his lips to her ear. You're going to get on all fours now, little Heidi. His hands drifted down to her hips. Get down, so that Cole and I can teach you some of your new chores.
