

The 5 Things Every Teen Should Know About Sex

S.E.XSex, Sex, Sex! Its everywhere! On television. On social media. In magazines. At school. The mall. The beauty salon. The barbershop. Its everywhere! And guess what? Everyone has an opinion about it too! Your friends. Your friends friends. Your parents. Your coach(es). Your pastor. Even your grandparents! You see, our society is built around the idea that sex sells and not surprisingly, it does. Thats why its everywhere you look and also, why so many people have such strong opinions about it. But, you know what? When it comes to sex, to have or not to have, the thoughts and opinions of others wont matter as much as those that you develop on your own. Ultimately, you will need to be able to answer, for yourself, important questions like: What is the purpose of sex? When is it okay to have sex? How many sexual partners is it okay to have? Is there a limit? How can sex affect me? Physically? Emotionally? Spiritually? Whats the point of waiting until Im married to have sex? What does it mean to be abstinent? The 5 Things Every Teen Should Know About Sex is intended to help you in your journey to answer the above questions for yourself. You see, to get a proper understanding of sex, you must first see what its inventor, God, has to say about it. After all, He created it, so who better to learn from? With this new knowledge, you will be able to make the right choices about sex; choices that will protect you and ultimately, please God.
