

Forecast Your Future: An Astrological Guide to the Next Ten Years

Where most astrological prediction books are annuals, this reference stretches into ten years, enabling readers to chart the transit of all the planets through their sign and, with these timings different for every planet, gain a fuller understanding of astrological guidance in the process. Both a bedside book and a life-planner, this ground-breaking volume is a reference for the entire family. Its user-friendly, jargon-free style makes it accessible for all and, with each astrological signs receiving equal coverage, brings long-term analysis within the domain of every interested reader.
