

Point of No Return (Missions of Mercy)

An American boy and a warlord's engaged daughter have disappeared together in an Eastern European border country. Only one man can find them in time to prevent an international meltdown: Chet Stryker. But Chet is taken aback when he realizes the boy is the nephew of Mae Lund, Chet's former flame. When Mae insists on rescuing her relative herself, Chet knows he has to protect her from the enemy on their trail. Yet can he protect himself from falling for Mae again?
