

Eunice Hollister is a fortunate young woman. Beautiful and intelligent, she is married to the man of her dreams. Eunice envisions a wonderful life ahead, working side by side with her husband for Christ. It isn't long, however, before Eunice discovers that her husband's true character is not what she thought. With her marriage vows in mind—and with God's help—Eunice is determined to make her marriage work ... until she suffers the ultimate betrayal. Now she must make a decision. Should she follow her broken heart and run back to the shelter of her parents' home? Or should she fulfill her marriage vows and stay with her husband until the end? This edition includes a biography of the author, group discussion questions, and an introduction to Isabella Aldens books by Christian author Jenny Berlin.
