Willies World 2 is a collection of Christian puppet skits written to teach young boys and girls valuable lessons from Gods Word. In doing so, it is my prayer that they may become better prepared to make right choices as they travel lifes long and often difficult highway. Each week, Willie manages to find himself in one sort of dilemma or another. Together with the help of his friends, his wise grandpa, and the delightful Miss Pickles, he takes on the challenges of being a boy in a rapidly changing world of schoolyard bullies, peer pressure, selfdoubt, and facing our greatest fears. Throughout these skits, children will be taught many lessons to help strengthen their faith: Lessons about prayer, forgiveness, obedience and how to get along with others. Lessons about sharing their faith, trusting in God, and loving the unlovable. When all is said and done, Willie learns that the road of life can be fraught with many hazards and wrong turns. But navigating around those hazards becomes much less troublesome when, before embarking on that journey, we allow Gods Word to have its rightful and necessary place as a lamp unto our feet and a light unto our path.
