

Your Souls Gift: The Healing Power of the Life You Planned Before You Were Born

In his groundbreaking first book, *Your Souls Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Souls Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in *Your Soul's Gift* you can:

- Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned
- Emerge from victim consciousness to know yourself as the powerful creator of your life
- Forgive those who have hurt you and create a lasting inner peace
- Understand the qualities you came into this lifetime to cultivate and express
- See profound purpose in experiences that once appeared to be meaningless suffering
- Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.
