

## Zen Meditations on Being a Mother with CD (Audio)

These specially written meditations are both inspiring and reassuring for mothers of all ages. Roni Jay touches on many of the issues that are central to child-rearing, from keeping your temper to the importance of magic, and from the value of patience to learning to live in the moment. This is an accessible, useful and up-beat companion for all busy mothers. The relaxing music on the accompanying CD can be used in conjunction with the meditations to aid concentration or on its own as a tool for relaxation.
